

## RMB TAKES MMI BEYOND CORRIDOR TALK

◀ MUMBAI

JOHANNESBURG  
▼

### **RMB advises MMI Holdings to establish a health insurance joint venture with Aditya Birla Group in India**

The multi-faceted international deal again demonstrates RMB's capabilities of concluding transactions with major corporates across the Indo-Africa corridor. This transaction will enable the partners to leverage Aditya Birla Group's strong market presence in India and MMI Holdings' established capabilities in health and wellness. The joint venture will offer innovative health insurance products that not only enhance customer choice but also add a new dimension to the current market offering in India.
