

RMB STRUCTURES A GROWTH CAPITAL SOLUTION FOR RAYS POWER INFRA

RMB advises Rays Power Infra for raising growth capital of INR2 billion

RMB is proud to have acted as a sole financial advisor to Rays Power Infra Private Limited, one of India's largest solar EPC companies, for raising growth capital of INR2b from DMI Finance Private Limited. The proceeds of the capital raise will be utilized by Rays Power Infra for expansion of its solar power development business. This transaction marks yet another transaction closure by RMB in the renewable energy sector and endorses our capabilities to deliver creative solutions, customized and structures as per the requirements of our clients.
